Our Inspiration

(1910-1977)

Late Shri Ganeshi Lalji Bajaj was indeed a multifarious personality. A freedom fighter, a philanthropist and a dedicated social worker, Ganeshi Lalji was revered for his benevolence and penchant for hard work. No matter how busy he would remain, he would always find time to not only educate the children of the underprivileged, but also provide them with food, shelter and articulate to help them come up in life. "Education leads to enlightenment". He firmly believed.

We at RK Group have endeavoured to imbibe our mentor's spirit and mission to not only grow in our respective fields of interest but to keep aspiring. Praying and working towards the cause of the youth and nation building.

www.glbitm.org

Vision & Mission ❖❖

Vision ❖❖

"To be a beacon in the field of education and research and contribute to the nation building by imparting technical, managerial and professional skills"

Mission ❖❖

"Education to Excellence"

From the desk of director ❖

With the world becoming a global village and globalization coupled with stiff competition is making its presence felt in our country, the need of the hour is to successfully meet such tests and challenges.

Today the Darwin's theory of the "Survival of the Fittest" is the order of the day. It has become essential that students should mould their skills and actions towards facing the emerging challenges.

It is right here that GLBITM makes its presence felt. The Institute understands the need of the corporate world for "Industry Ready Technocrats and Managers" and create such qualities in the students. We are developing Technocrats and Managers with the drive for innovation, creativity, entrepreneurship and professionalism. At the end of the day students leave the Institution packaging themselves as a complete person. Considering our passionate zeal to elevate the standard of technical and management education many distinguished guests from the academia, industry and the corporate world have visited the campus and fruitfully interacted with the students.

This young Institute GLBITM, in the three years of its existence at Knowledge Park III in Greater Noida has established itself firmly in the corridors of the corporate world. Our students have been placed in prestigious companies as Infosys, L & T and many other companies are following their path.

Prof.(Dr.) R. Agarwal

GLBITM makes its

R. K. Group - a brief outline

Young, dynamic and bubbling with enthusiasm, the R.K. Group has, in record time, demonstrated meteoric growth and has carved a distinct niche for itself in the arena of imparting high standards of professional education.

Situated in Mathura, on the National Highway #2, the R.K. Group was inceptioned in the year 1997. Today, the group is on its glorious path of virtually actualizing its vision by imparting boon of quality education to thousands of students in the field of Management, Technology, Education, Law, Dental Science, Pharmacy and Library Science.

Institutes Presently Thriving Under the banner of R.K. Group are:

- **G.L. Bajaj Institute of Technology & Management**
- **G.L. Bajaj Institute of Management & Research**
- **K.D. Dental College and Hospital**
- **Rajiv Academy for Pharmacy**
- **Rajiv Academy for Technology & Management**
- **Rajiv Academy for Teacher's Education**

To augment, R.K. Group's unprecedented growth curve, the Group has already worked out the blue prints for its immediate future plans. The R.K. Group is soon putting up an enviable Dental College in Greater Noida and a Medical College over 100 acres in Mathura.

Additional

- The Institute provides certification in fire fighting & safety to Mechanical Engg. Students.
- A separate core group is formed to give exposure on Intellectual Property Rights (IPR) to the students.
- Rated as 'Super Engines of Growth' in terms of Infrastructure by TOI.
- A strong Corporate Advisory Committee Group (CAG).
- Annual HR meet with dignitaries from top MNC companies.
- Frequent talks by HR Personnel.
- Industrial Tours.
- A Separate R&D cell.
- Live project from Industry.
- Separate PDP classes.
- Coverage beyond syllabus through certification courses.

Advisory
Board

The Placement Cell

The campus recruitment of the students of B.Tech, MBA, MCA is co-ordinated by a placement Cell. The cell, headed by a Placement officer, works in unison with the Placement coordinators of different departments and other senior faculty members.

The Process

For the convenience of the prospective employers, the Campus Recruitment Programmed is detailed below:

Campus Recruitment commences every year in the month of August and continues till May of coming year. On receiving communication from interested recruiting organizations, the institute forwards the personal profile of the students to them. It has Conference hall, Interview rooms, Auditorium etc for Group Discussions, interviews and other modes of selection adopted by different organizations.

The Institute provides the facilities viz. accommodation, transportation etc to the recruiting organizations as and when required.

Pre-Placement Talk (ppt)

All companies are expected to deliver a Pre-Placement Presentation to the students where all relevant information about the job may be discussed. If such a presentation is not possible on the part of any company, then it is requested to send all relevant details in advance to the Placement officer.

Placement Resource Center

GLBITM believes in efficient training and placement and therefore a dedicated cell is constantly working towards providing the best career prospect to the students. The prime objective of this cell is, enable the students to prepare a skill base so that they can forge ahead in their life in the desired work field. This is achieved by a team of dedicated members of the Placement Resource Center that consistently interacts with the specific industries and helps the students to prepare accordingly.

Along with the academic inputs, equal emphasis is given to personality development programmes, to enhance the finer nuances of a student's all round persona in terms of leadership qualities, confidence, team effort and interpersonal skills. It is because of this, GLBITM has been able to place its students in the leading business organizations across India.

Recent Placements (2007-08)

GLBITM is proud of the fact that in its maiden attempt, it has successfully placed the following students of 5th semester in Engineering, in reputed MNCs:

L&T Infotech >>

| Name | Stream |
|-----------------|--------|
| Animol S Nair | EC |
| Lakshay Mahajan | EC |
| Parag Garg | EC |
| Namita Sharma | EC |
| Stanley Thampy | EC |
| Akshi Sharma | EC |
| Vishal Jain | EC |
| Manjeet S Bedi | CS |
| Rahul Das | CS |
| Arun Singh | CS |

Infosys >>

| Name | Stream |
|------------------|--------|
| Rahul Khanna | EC |
| Umang Sand | EC |
| Pratik Gautam | EC |
| Ishita Mathur | CS |
| Rahul Das | CS |
| Monika Ahuja | CS |
| Vishesh Malhotra | CS |
| Dhruv Prashar | CS |

Some Corporates where R.K.Group's alumni have been Trained or Placed:

- L & T Infotech
- Infosys
- Birlasoft
- I-Flex
- L & T Switch & Gears
- Samudrak
- HCL
- Reliance Capital
- Ranbaxy
- Sinclairs Group of Hotels

Welcome to GLBITM

We take pleasure in introducing our group of Educational Institutions under the aegis of RK Group, which apart from a management College and a dental college at Mathura, also established a new campus in 2005 at Greater Noida, "G. L. Bajaj Institute of Technology & Management" (GLBITM).

GLBITM is approved by All India Council for Technical Education (AICTE), Ministry of HRD, Govt. of India, the UP State Govt. and affiliated to the U.P. Technical University, Lucknow. Here, the basic motto of providing the best opportunities in specialized technical education and Research & Development is aptly focused and coordinated with prime attention to the various aspects of skill building and personality development. Seminars and conferences culminating into major interface with industry bigwigs, debates, spots, dramatics, hobbies, etc., play a comprehensive role in the all round grooming of our students.

We are in the heart of one of the world's most dynamic financial and commercial centers. Our location has been instrumental in helping us forge links with organizations based here, ranging from financial and multinational giants to aggressive new start-ups. The opportunities to develop a network of contacts within the City of Greater Noida and outside are unparalleled.

For any educational institution, the most important aspect is the quality of faculty. The faculty at GLBITM, a combination of diverse talents and experience, is fully committed to their profession and have high standards of ethics and moral values, so that they can really inspire the students as role models. Special care is taken by each faculty member to take care and groom the students in such a way that they are able to generate a skill base, which can meet any kind of career challenge with utmost ease. To unleash the career dreams of the students into reality, GLBITM, in addition to its panel of permanent faculty members, also invite & leading professionals and academicians to interact regularly with the students, as visiting faculty.

Our state of art campus has world class infrastructure and class rooms with latest educational aids/equipments, of course with eminent faculty in each of the functional area.

The Campus

The lush green residential campus with sprawling lawns and playgrounds built over 11.25 acres of prime land in Greater Noida. The meticulously designed campus provides a professionally motivating atmosphere for learning and sharing.

Some of the salient points of the campus are:

- Wi-Fi Campus
- Well equipped laboratories with the latest apparatus and equipments for perfect learning.
- A big library having app. 15000 books, 140 periodicals and journals, etc form all over the world with a capacity of over 200 Students at a time.
- Well-furnished, Separate in-campus hostel for boys and an out-campus for girls.
- Hygienic and absolutely homely mess for students and staff.
- Abundant indoor and out-door games and sports facilities.
- Medical and transport facilities.

Academics at GLBITM

GLBITM is an institute that caters to the learning buds of tomorrow, where the best of engineering studies meets its synonym in a talented bunch of students, dedicated with a resolve to convert possibilities into working solutions for tomorrow. GLBITM is affiliated to U.P Technical University, Lucknow.

Under Graduate Courses

B. Tech

| | |
|------------------------------------|------------|
| -Computer Science & Engineering | 120 seats. |
| -Information Technology | 60 seats. |
| -Electronics & Communication Engg. | 60 seats. |
| -Mechanical Engineering | 60 seats. |
| -Electrical Engineering | 60 seats. |

(Full time 4 years program ,approved by AICTE, Affiliated to U.P .Technical University)

Post Graduate Courses

Master in Computer Applications (MCA)

(Full time 2 years program ,approved by AICTE, Affiliated to U.P .Technical University)

60 seats.

Master in Business Administration (MBA)

(Full time 2 years program ,approved by AICTE, Affiliated to U.P .Technical University)

60 seats.

The Infrastructure

Lecture Rooms

Big and spacious lecture rooms have been specially designed and created to hold lectures that are highly interpersonal. To compliment traditional methods of teaching, the use of advance aids like LCD Projectors, Overhead Projectors, Slide Projectors, Public Addressing Systems and various other on-line gadgets have been provided.

Auditorium

A state-of-the-art AC auditorium with push-back seats and the best of acoustics is built to accommodate larger groups of students, brushing up facets of their personality in co-curricular and extra-curricular activities like lectures by industry big-wigs & top-of-the line visiting/guest faculty, role plays, presentations etc.

Library

GLBITM has one of the most enviable computerized libraries in Greater Noida. With a sitting capacity of over 200 Students, the library has a ready stock of over 15,000 books 140 journals, magazines and newsletters from all over the world.

Book Bank

The book bank at GLBITM lends text books on semester basis for each subject, which saves the student's expenditures on books and facilitates learning with ease.

Internet Facility

To keep pace with the fast changing world & to make the world a smaller place to live in GLBITM has a faster internet facility in its campus. The Internet facility is available throughout the campus & personal login for all students are provided. Attempts are being made to have internet connections in the out-hostels too. A highly specialized state-of the-art internet lab is there for students to access the net whenever they wish to do so.

Communication Skills Lab

The lab attempts to inculcate the practical skills of communication which include discussion sessions, presentation, mock meetings, mock interviews with an objective of developing the all round personality, particularly the qualities of leadership, dynamism, team building, positive value based attitude and confidence among the scholars.

Conference Hall

A State-of-the-art conference hall, fully air conditioned and equipped with all the modern amenities, is available and is used extensively for activities like workshops, conferences and other such events.

The Teaching Methodology

The teaching methodology designed at GLBITM is in complete synergy with the latest demands of the trade. Backed with a repertoire of the best industry professionals and highly competent faculty, thrust is more towards the practical aspect of learning in the backdrop of a thorough theoretical base. Adequate focus is given to develop analytical and communicational skills, problem solving and team- work, etc. The curriculum also stresses on case studies, project development and adequate role-plays in simulation of varied industry situations. Apart from all this, GLBITM also concentrates on individual personality development and group dynamics.

Core Faculty

| Name | Designation | Qualification |
|------------------------------|----------------------|----------------------------------|
| Dr. Rajeev Agarwal | Prof. (Dr.) | B.E., M.Tech., Ph.D. |
| Dr. Prashant Singh* | Prof. | B.E., M.Tech., Ph.D. |

Intellectual Capital

Visiting Faculty/Guests Faculty

- Lecture on Fuzzy Logic applications in Electrical Engineering' by Prof A.Q Ansari, Jamia Millia Islamia, New Delhi, on 28 Feb 2008.
- Lecture on 'Power Systems' by Prof D.P Kothari, IIT Delhi on 22 Nov 2007.

Industry Speakers

- An interactive session by Mr. Alok Agarwal, Exe. Director, Polar Industries on, 'Making students Pro-Market'.
- Mr. Pawan Bakshi, GM Bharti Airtel delivered lecturer on the finer nuances of management.

Industrial Visit

Third Year(EE) students visited the Associate Electronics Research Foundation, Noida on 15 Feb 2008.

Seminars & Conferences Organized By R.K. Group

In its consistent endeavour to provide the best possible atmosphere and opportunities for its valued students, the Institute manifests trail blazing success and accomplishment by professionally organizing international and national seminars and symposia time to time.

- Organised interactive workshop on 'Development of strategies for result & quality oriented teaching for the subject TME-101/201 Mechanical Engineering, 5th April 2008.

Workshop

A two-day workshop on MATLAB to be organized by the EE department in association with EC Deptt GLBITM and QUARBZ Tech Media on 25/26 April 2008.

HR Summit

'Industry Academia Interface' on 30 April 2008 in GLBITM (Proposed).

International Conference Feb. 14-16, 2006

Three Day Workshop on Science & Mathematics September 05-07, 2005. By Members of "Center for Science & Education" North Eastern Hill University, Shillong.

Training Seminar May 24-25, 2005

On Managing for Results (The MBO way & The Power of Leadership, Motivation & Teamwork) Conducted by Dr. Upali Mahanama, Sri Lanka.

International Seminar February 24 -26, 2005

On Changing Scenario of Services Marketing in the Era of Globalization.

Management Development Programme January 28-29, 2005

On Finance for Non Finance Executive.s

Management Development Programme November 26-27, 2004

On Enhancing Communication & Presentation Skills.

Learning and Life

Discipline Committee For Students:

All the matter related to indiscipline among the students are considered by this committee. The college has a Proctorial Board for preventing any act of indiscipline among the students in the college and hostel campus. The committee recommends suitable/corrective measure with the help of Proctorial Board to maintain the overall discipline in and around campus.

Technical Committee:

The committee comprises the students and able faculty members having quest for knowledge, with the single motive of encouraging students to explore their hidden talents in the technical field and to come up with innovative and novel ideas in the field of engineering. As the name suggests, the main objective of the committee is to motivate the budding engineers and to provide them a platform for show their innovation, conception and creativity, the committee organizes various technical events round the year.

The competitions like poster making, paper presentation on technical topics, collage-making to challenge the aptitude and attitude of the emerging technocrats are some of the events. It also organizes quizzing session at various levels, to judge and update the students knowledge.

Sports Club

The games and sports are organized through the Sports Club. The Institute has both the out door as well as the indoor games facilities. Students can enjoy games like carom board, chess, table tennis etc. Facilities for the following games and sports are also available: Football, Basketball, Volleyball, Tennis, Badminton, Athletics. Besides organizing routine activities in above mentioned sports, the Sports Club is also planning to conduct the GLBITM Open Sports Meet (GOSM) in the First Semester every year in which several outstation teams could participate.

Students can become members of sports Club and enjoy all the mentioned activities free of cost.
