Sirdi Sai Babd Gold Medal	Promoting Education	-
Gold Medal by Govt. of MP	Developing Pendari Kanan for ecotourism	-

Institutes under the aegis of SGI

- **SIET | Shambhunath Institute of Engineering and Technology** College Code- 162
- **SIP | Shambhunath Institute of Pharmacy** College Code- 241
- **SIM | Shambhunath Institute of Management** College Code-727
- **SITI | Shambhunath Industrial Training Institute** College Code- 2200
- **SIL | Shambhunath Institute of Law**
- **SCE | Shambhunath College of Education**
- **SIAT | Shambhunath Institute of Agriculture and Technology**

Area & Infrastructure

The campus is situated in an area of 3 acres with the following facilities

Wi-fi on campus

Well equipped
Library

Smart Classrooms

Seminar Halls

Conference
Rooms

Hostel for boys & girls

Transportation

Cafeteria & Canteen

Sports ground

Courses

Shambhunath Institute of Engineering and Technology (SIET) was established in the year **2004**

B-Tech:

- Electronics and Communication Engineering
- Mechanical Engineering
- Electrical Engineering
- Computer Science Engineering
- Civil Engineering

M-Tech:

- Production
- VLSI

Courses

- MBA
- Marketing
- Human Resource
- Finance
- B.Pharm (PCI approved)
- M.Pharm

Infrastructure Specialized Lab

- Computer Programming
- Numerical Technique Lab
- Data Structuring Lab
- Digital Electronics Lab
- Computer Organization Lab
- JAVA Programming Lab
- Software Engineering Lab
- DBMS Lab
- Web Technology Lab

- E- Commerce Lab
- Information System Lab
- Digital Image Processing Lab
- Project Lab
- Instrumentation and Measurement Lab
- Microprocessor Lab
- Electronics Workshop and PCS lab

- Digital Signal Processing
- Electronics CAD/CAM Lab
- Microwave Lab
- Network lab
- Electrical Simulation Lab
- Pulse and Digital and Electronics Lab
- Electrical Measurement lab
- Communication Lab
- Control Systems Lab

Corporate Resource Centre

Corporate Resource Centre (CRC) of the Institute has facilitated Campus placements essentially raising the benchmark for Engineering, Management and Pharmacy students. SGI has had an enviable placement record in the last few years.

TECH MAHINDRA

FRANCONNECT

Career Development Program

- All students are required to attend this program. The program is aimed at providing every student with an in depth understanding of their strengths and areas of improvement so as to develop them into effective leaders or business.
- The Training program focusses on three key elements to foster learning:
 1. *ASSESSMENT -To help students identify their strengths and developmental needs.*
 2. *CHALLENGES -In the form of unique experiences to develop new capabilities.*
 3. *SUPPORT -To sustain the motivation for learning and growth.*
- Tie up with TCS ion for Mentorial Tests conducted by Tata Consultancy Services to test students' ability in various Government and PSU examinations. Twelve TCS Mentorial tests were conducted.
- Tie Up with Co-Cubes , Aspiring Minds and Mettl for Aptitude and Technical Assessment

Technical Training

- ORACLE Workforce Development Program - *SIET is the only Institute in the region to have a tie-up for this program.* Oracle University provides education and certification programs that give students relevant job skills in an increasingly competitive work environment.
- MICROSOFT COMPUDON competition is being consecutively held from past many years where students get certification on various Microsoft applications.
- Workshop on Android Development , Bluetooth Controlled Robotics, IC Engine Design in association with IIT Madras
- Workshop on Red Hat Linux and Website Development (WEBOTICA) by Final Year students to share their skills.
- Workshop on Bridge Designing for Civil Engineering
- Workshop on ROBOTICS for Electrical Engineering
- Workshop on SCADA for Electrical Engineering
- Workshop on Wireless Communication System Design (WCSD) for Electronics & Communication
- Workshop on AEROMODELLING
- Workshop on ANDROID APPLICATIONS by Kyrion Experts in association with IIT Kharagpur. AIESC.

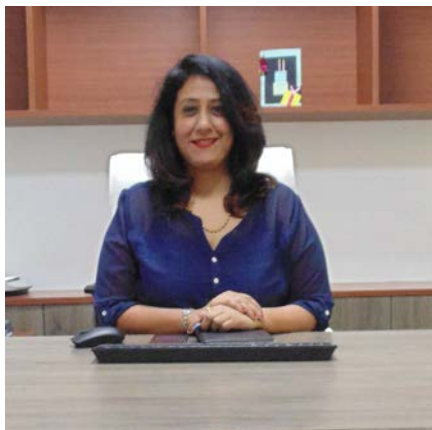

- CRC also conducts well designed Training Programs through which the students are introduced to the idea of leadership, personality and emotional intelligence. The program is designed such that it has a mix of Classroom teaching, real life simulations and one on one coaching sessions.
- These methods are used to sensitize and develop essential skills for leadership and communication, presentation, team building, assertiveness and problem solving skills.
- Interview Skills
 - Group Discussion
 - Corporate Etiquette Skills
 - Public Speaking Techniques

Recruiters in 2015-16
