## 2017-18 PLACEMENT BROCHURE

[www.reva.edu.in](http://www.reva.edu.in)

## Purpose

This brochure symbolizes our gratitude to all our recruiters, with whom we intend to entrench our relations. We appreciate your trust in REVA University. We would like you to go through the brochure and have a cognizance of what moulds a fresh entrant in REVA University into a methodical professional. We will be glad to assist you with further details and statistics to help you enhance your talent pool. We look forward to a mutually beneficial relationship we would share one day.

## Vision

Striving for a symbiosis of Technological Excellence and Human Values. To arm young brains with competitive technology and nurture holistic development of the individuals for a better tomorrow.

## Mission

REVA University strives to set new benchmarks in imparting world class education to its students by ensuring inputs for professional excellence, interactive learning environment and industry orientation through its highly qualified faculty, staff and empowering infrastructure.

# About REVA University

REVA University has been established under the Government of Karnataka Act 80 of the year 2012. The University is located in Bengaluru on a sprawling green campus; spread over 45 acres of land, built with the state-of-the-art infrastructure creating an environment conducive for higher learning and research.

The Founders of REVA University believe in the motto of 'Knowledge is Power'. Driven with philanthropic vision and a missionary zeal, the campus is built to transform students into outstanding citizens. The University prides itself in contributing to every student's holistic development. The University currently offers 18 full - time Post Graduate programs, 5 part - time Post Graduate programs, 15 Graduate Degree programs and several Post Graduate Diploma programs in Engineering, Architecture, Science & Technology, Commerce, Management Studies, Law, Arts & Humanities. Above all the University facilitates research leading to Doctoral Degree in all disciplines. The programs offered by REVA University are well planned and designed based on in depth analysis and research with emphasis on knowledge assimilation, practical applications, hands - on training, global and industrial relevance and their social significance.

REVA University believes in preparing students through the Choice Based Credit System (CBCS) and Continuous Assessment and Grading Pattern (CAGP) of education. The CBCS & CAGP pattern of education has been introduced in all programs to facilitate students to opt for subjects of their choice in addition to the core subjects of the study and prepare them with required skills. It also provides opportunities for students to earn more credits and there by acquire additional Proficiency Certificates and Diplomas.

Highly qualified, experienced faculty members and scholars from reputed national and international institutions along with industrial and business experts have contributed in preparing schemes of instruction and curricula for these meticulously designed programs. REVA University strives to strengthen its team of committed faculty members and staff who ensure that this journey of enlightenment progresses smoothly for every student.

The ever evolving collection of books, journals and digital content in the library and the latest IT infrastructure, ensure that students have information in every form at their disposal to explore. REVA University is renowned for its well equipped laboratories which aid students in their learning and research. The custom-built teaching facilities and classrooms, the indoor and outdoor sports and cultural facilities, the multi-cuisine foodcourt, and campus stores provide students an-encouraging learning environment.

## Unique features of REVA

- LEED Certified Eco-friendly Campus
- Choice Based Credit System (CBCS) & Continuous Assessment and Grading Pattern (CAGP) of Education
- Industry Oriented Curriculum
- International Collaborations
- Highly Accomplished Faculty Members
- Top Notch Learning Facilities
- Strong Research Culture
- Rich Library Resources
- Industry University Interface
- Internal Quality Assurance
- Diversified Student Community
- Exposure to National and International Seminars
- Enriching Internships and Projects
- Corporate Linkages
- Effective Student Adoption and Mentoring
- Global Alumni Network
- Pre - Placement Training and Excellent Placement Record
- Well Furnished Accommodation
- Un-interrupted Power Supply
- Scholarship for deserving students

# From Chancellor's Desk

## Greetings from REVA University!

There was a time when survival depended on just the realization of physiological needs. We are indeed privileged to exist in a time when 'intellectual gratification' has become indispensable. Information is easily available for the soul that is curious enough to look for it. Technological developments ensure information availability anywhere, anytime. The difference, however, lies between those who look for information and those who assimilate knowledge.

It is deemed virtuous to serve seekers of knowledge and as educators it is in the ethos of REVA University to empower every learner who chooses to enter our portals. Driven by our founding philosophy of '**Knowledge is Power**', we believe in building a community of perpetual learners by enabling them to look beyond their abilities and achieve what they assumed impossible.

India has always been viewed as a brewing pot of varied talent, incredible intellect and immense potential. All it takes to turn those qualities into power is a spark of opportunity. Being at a University is an exciting and rewarding experience with opportunities to nurture abilities, challenge cognizance and gain competence.

For any University, the secret of excellence lies in the transitional abilities of its faculty members and its facilities. I'm always in awe of the efforts that our academic board puts in to develop the team of subject experts at REVA. My teacher colleagues understand our core vision of empowering our future generation to be ethically, morally and intellectually strong. They practice the art of teaching with a student-centric and transformational approach. The excellent infrastructure at the University, both educational and extracurricular, magnificently demonstrates the importance of ambience in facilitating focused learning for our students.

A famous British politician and a well known author of fiction, 19th century - Benjamin Disraeli, once said 'A University should be a place of light, of liberty and of learning'. Centuries later this quote still inspires me and joins the team of enlightenment and shine in your career. I believe, in team-work to build successful institutions. I welcome you to Reva University where we mould your future with values, wisdom and knowledge.

**Dr. P. Shyama Raju**

Founder & Chancellor, REVA University

"Education is the most powerful weapon  
which you can use to change the world"

- NELSON MANDEL

# Quick Facts

## AWARDS AND RECOGNITION

- Ÿ The academic activities at REVA University from inception has been Quality oriented and recently the University has been successful in getting recognized for its quality Management System through BSCIC Ltd. in the form of **ISO 9001:2015 QUALITY CERTIFICATION**.
- Ÿ Awarded as "Promising Upcoming University in South India 2015 - **By BERG Singapore Education Award**
- Ÿ **GREEN CAMPUS** Award

## INFRASTRUCTURE

Being the dearest project of one of the most renowned developers of the city – DivyaSree Developers, the REVA University campus is a perfect blend of expert design and thoughtful infrastructure that caters to every educational professional and recreational needs of the students, faculty and staff on campus. The infrastructural pride of the University is its Library and ICT block. Located at the heart of the campus, the fully air-conditioned Library provides a mix of learning environments to meet various student needs - be it a quiet, individual study space or a group discussion set-up or even a technologically enabled atmosphere. The spacious, well ventilated gallery classrooms at the Main Block accommodate students from various course and academic years to interact and learn from peers and faculty. The youth of today functions on a fitness mantra and REVA ensures that all their recreational and fitness needs are met on campus through state-of-the-art indoor and outdoor sports and games facilities. REVA hostels are genuinely a home away from home. Providing a comfortable and safe environment to its students is the University's top most priority.

## STUDENT ACTIVITIES AND ENROLLMENTS

The student forums provide outlets for students to be involved in exploratory activities supporting overall development. They are actively involved in conducting guest lectures, workshops and conferences along with celebrating events. They independently drive initiatives like Knowledge Sharing Sessions, Code Jams, and Hackathons. They also play their part in social causes like blood donation camps, NSS programmes.

## Admissions

Admissions to any Graduate, Post Graduate, Post Graduate Diploma and PhD programs of REVA University are strictly based on merit. REVA University conducts a series of entrance examinations which include:

- Engineering – REVA EET (REVA University Engineering Entrance Test)
- LAW – REVA CLAT (REVA University Common Law Aptitude Test)
- Management – REVA MAT (REVA University Management Aptitude Test)
- Doctoral Program – REVA PET (REVA University PhD Entrance Test)

However, for some of the programs such as B.Tech, M.Tech & MBA the candidates ranked in the CET, PG CET, COMED-K, GATE, CAT, MAT & such other Entrance Examinations conducted by the Govt. of Karnataka or other recognized agencies are also considered.

## Campus Life

Located at Yelahanka, close to Bengaluru International Airport, REVA University's campus offers you the best of both worlds: city and suburb. The University's comprehensive facilities offer you plenty to do, see, explore and experience while pursuing your studies. The University campus is a diverse, sociable community, where imagination thrives and ambitions are realized. The University is committed to providing a positive learning environment free from any form of discrimination, harassment and bullying, where all students are treated with respect and dignity. We aim to ensure that all students have equal access to the full range of institutional facilities.

# FACULTY AND SCHOOL

## Faculty of Engineering and Technology

### School of Civil Engineering

- ✧ The School of Civil Engineering offers UG, PG and PhD programs.
- ✧ The program emphasizes on all the core areas of civil Engineering like Design of Structures, Buildings, Bridges, Dams & other infrastructure, Pollutant Control, Waste Management etc.
- ✧ The PG Programs aim at providing in depth knowledge and skills in specialized areas like Computer Aided Structural Design and Transportation Engineering and Management.

---

### School of Computing & Information Technology

- ✧ The School of Computing & Information Technology provides insight into leading-edge techniques for analysis, design and implementation of complex software systems.
- ✧ It aims at supplying industry-ready graduates.
- ✧ The School offers B.Tech in Computer Science and Engineering, M.Tech in Advanced Information Technology, M.Tech in Computer Science and Engineering, and M.Tech in Data Engineering and Cloud Computing.
- ✧ It also facilitates research leading to PhD in Computing & Information Technology and undertakes funded projects.

---

### School of Electrical & Electronics Engineering

- ✧ The School of Electrical & Electronics Engineering offers programs in both electrical and electronics domains and provides wide range of fundamental scientific knowledge relevant to electrical sciences.
- ✧ The electrical engineers are equipped to design, create, operate and maintain systems that use or harness electricity.
- ✧ The School offers B.Tech in Electrical & Electronics Engineering and M.Tech in Advanced Power Electronics.

## **School of Electronics & Communication Engineering**

- ✓ The Programs of School of Electronics & Communication Engineering is designed to focus on technologies that underpin network technology, embedded systems, data communication, etc. with special emphasis on research and development.
  - ✓ The School offers UG and PG Programs which encompass technical, research and soft skills reflecting the realities of modern day advancement and in turn making the graduates more employable.
- 

## **School of Mechanical Engineering**

- ✓ The programs of School of Mechanical Engineering are focused on the management of resources, design and development of new processes and innovative products.
  - ✓ The School offers Graduate Program in Mechanical Engineering and Post Graduate Program in Machine Design and Dynamics.
  - ✓ The School is also engaged in research leading to Doctoral Degree. It also undertakes funded projects and consultancy activities.
- 

## **Faculty of Architecture, Design and Fine Arts**

### **School of Architecture**

- ✓ The School of Architecture supported by DivyaSree Developers who have nearly four decades of rich experience in Architecture, Construction and Infrastructure development.
  - ✓ Presently offers B.Arch program of five years and is aimed to establish a center of excellence for architecture education. It facilitates multidisciplinary research to deal with the complexities of human settlements as a whole.
- 

## **Faculty of Law**

### **School of Legal Studies**

- ✓ The School of Legal Studies offers graduate programs with an objective of preparing Law graduates with a sound understanding of the foundations of legal knowledge. The School offers BA, LLB and BBA, LLB of five year (10 semesters) duration and undertakes consultancy projects.
  - ✓ Equipped with excellent infrastructure including Moot Court, Counseling Cell, fully air conditioned library with variety of print and online resources aims to advancement and dissemination of knowledge of law and legal processes in the context of national development.
- 

## **Faculty of Commerce and Management Studies**

### **School of Commerce**

- ✓ Commerce is one of the most sought after academic program at graduate, post graduate and research level. The School of Commerce offers industry integrated programs that reduce the gap between industry and academia.
- ✓ The Degree program in Commerce provides scope to enter a wide range of business fields. The School also offers M.Com program facilitating various specializations combined with project and internship.
- ✓ Further the School has research programs leading to Doctoral Degree and undertakes funded projects and consultancy activities.

## **School of Management Studies**

- ✧ The School of Management Studies offers Master of Business Administration (MBA) and Bachelor of Business Administration (BBA) programs which have been crafted with utmost care in collaboration with academicians and professionals.
  - ✧ The curriculum facilitates with skills, abilities and knowledge that enable students to take up positions of higher responsibilities in the corporate world.
  - ✧ The School is also engaged in research leading to Doctoral Degree and undertakes funded projects.
- 

## **Faculty of Science and Technology**

### **School of Physical Sciences and Computer Applications**

- ✧ The School of Physical Sciences and Computer Applications is conceived to conduct studies and research in Physics, Mathematics, Computer applications and such other areas. Presently, the School offers BCA, MCA and M Sc in Applied Mathematics, B Sc in Computer Science, BS in Computational Mathematics & Computing and MS in Computer Science considering job opportunities in various sectors.
  - ✧ The School also facilitates research leading to PhD in Physical Sciences and Computer Application disciplines. The School has collaboration with University of Alabama, Huntsville, USA and offers joint programs.
- 

### **School of Chemical and Biological Sciences**

- ✧ The School of Chemical and Biological Sciences offers graduate and post graduate programs which are incredibly fascinating and practice oriented. It aims to attract talented youth and train them to acquire knowledge and skills useful to industrial sectors, research laboratories, and educational institutions.
  - ✧ The School presently offers M Sc in Chemistry, M Sc in Bio-Chemistry, M Sc in Bio-Technology and PG Diploma in Pharmacovigilance.
  - ✧ The School also facilitates research leading to PhD in Chemical and Biological disciplines.
- 

## **Faculty of Arts, Humanities and Education**

### **School of Humanities**

- ✧ The School of Humanities offers programs that prepare graduates who are aware of and can interact with contemporary thought and research in their respective specializations and utilize such in their professional lives. The graduates will also be equipped with foundation of subjects and variety of skills required to compete in the global job market.
- ✧ The School offers graduate and post graduate programs, also facilitates research leading to PhD in humanities disciplines.

# Message from Dean Placement

The Training & Placement (T&P) Cell of REVA University is the chief facilitator for the students to obtain placements best suited to them and primarily liaisons between Industry and the Institute. The goal of Training & Placement Cell is to provide world class training to REVA University students. The Cell has emerged as a favored destination for many national and international organizations who come back year after year to recruit fresh talent nurtured at the University.

The Training & Placement Cell is dedicated to motivate and help the student community towards their campus placements and industrial training. This is done by training students from the first year onwards focusing on motivational skills, communication skills, interpersonal relationships, leadership qualities, group discussions and interview techniques. Additionally, the Cell also provides the required infra-structural facilities to conduct group discussions, tests and interviews besides catering to other logistics.

The database of the students is managed by the cell, which plays a crucial role in suitably placing the alumni too whenever required

**Dr. N. Ramesh**

Dean - Training, Placement and Planning

## Role of Placement and Training

We at REVA University are proud and excited to start an exclusive in-house Soft skills training program for our students, imparted by experts in the field. This course at REVA would help students to develop competencies and capabilities. It would help them to develop interpersonal, communication, teambuilding and leadership skills, for greater productivity and performance and above all 'employability'. The course structure is progressive in nature and would see a rise in level as each semester progresses. This has been done keeping in mind their present requirement and making them ready for a scenario four years down the line. Initially the program would cover the First year students and gradually would go on to include the other semesters as well.

When students think about business communication and the need of an impressive presentation, they seldom consider mistakes in conversational English and demeanors, those that occur commonly among them across all fields. Human resource management experts are of the opinion that effective communication is an important ingredient in creating a complete persona and learned students are the ones who know how to effectively showcase themselves. The corporate world is a stage and all of us are performers. Thus, also arises the need of building an exquisite personality and ability to make lasting impressions through the perfect conduct. The Soft Skills training sessions would cover everything that would enable a student stand out in a crowd of career builders. It is designed to help them gain the personal insight and practical skills to develop and implement a mental framework for a good and professional approach to their career.

## The main objective of these trainings would be as follows:

- ÿ Enhance and improve employability skills.
- ÿ The ability to communicate effectively with co-workers, employers, clients and customers, friends and family members.
- ÿ Improve Personal and professional effectiveness.
- ÿ Help in upgrading Skills.
- ÿ Development of presentation skills to promote more successful projects.

## Pedagogy

Soft Skills is quite different from conventional methods of training. By conducting a lot of interactive activities related to behavior, the trainer helps in bringing out behavioral changes among the individuals. During this training real life environment is created and participants are trained in a simulated environment through various activities like

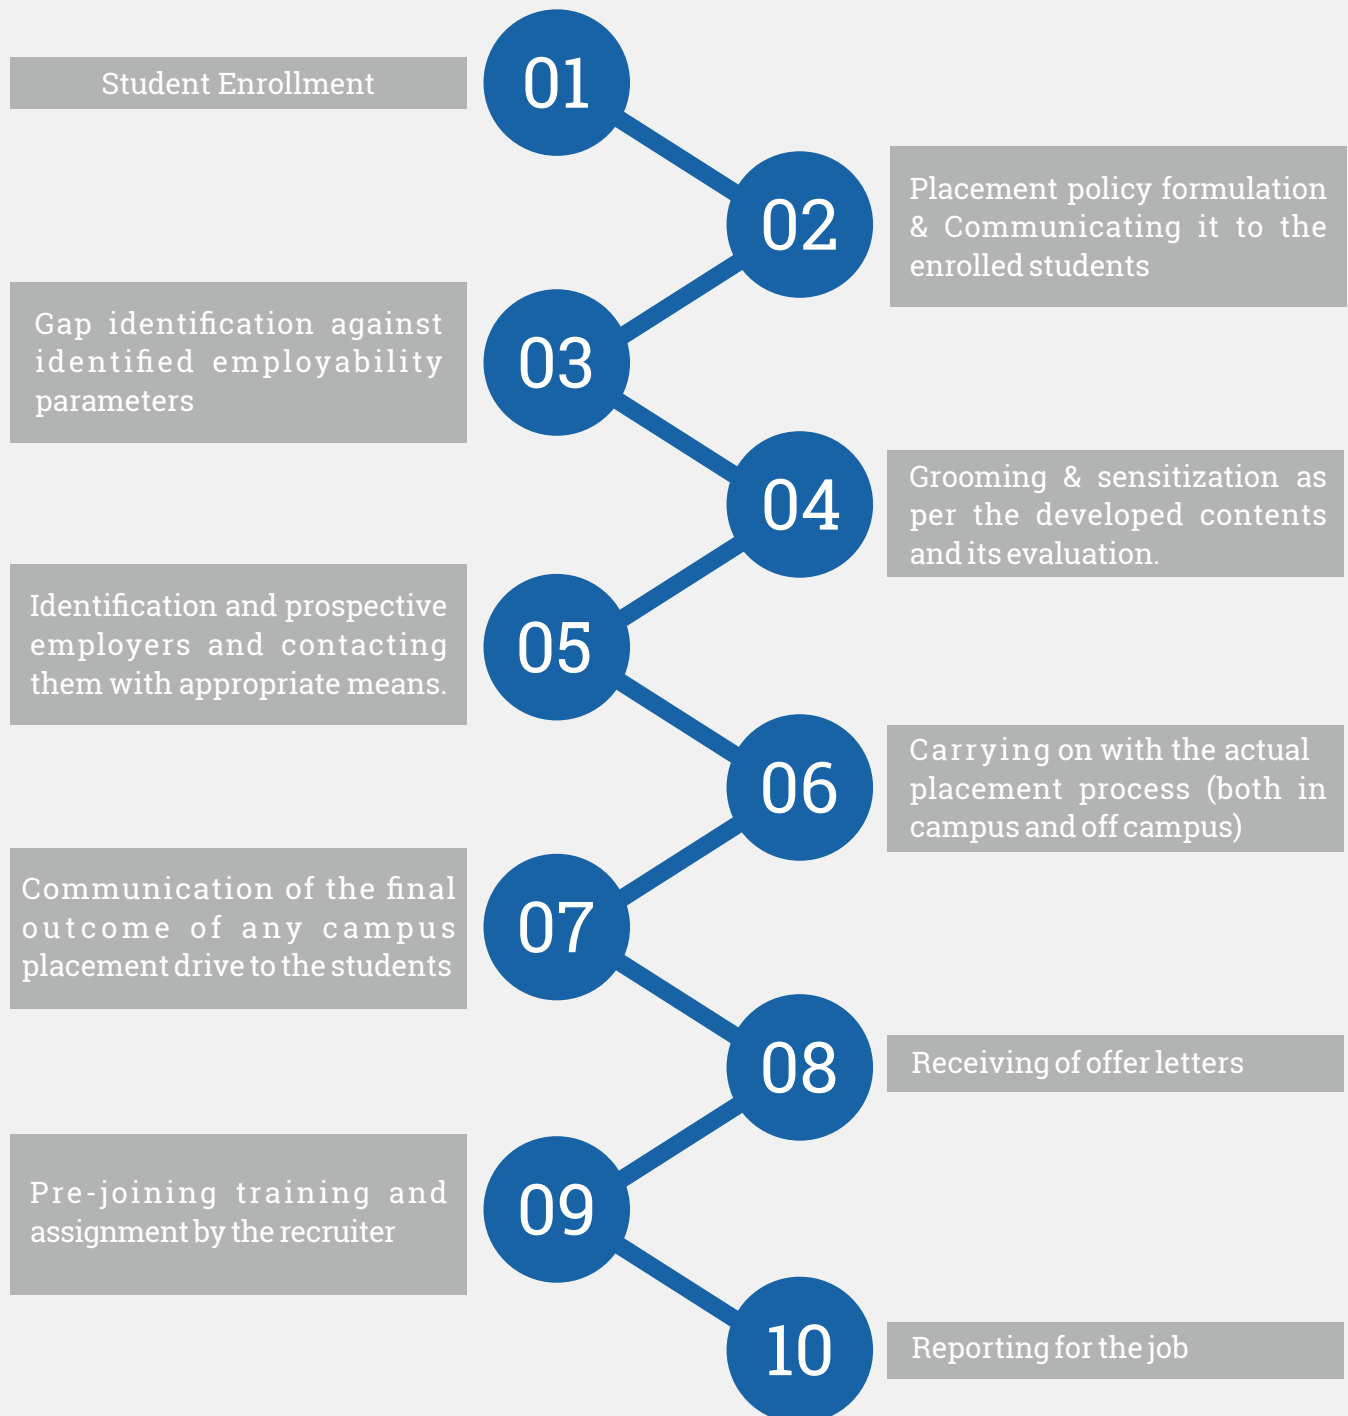

- ÿ Single and Group Presentations
- ÿ Story Building Sessions
- ÿ Team Building Games
- ÿ Group Discussions
- ÿ Role Plays
- ÿ Practical exercises
- ÿ JAM Session

## Learning Outcome

The most important thing that the participants take out of the session is the confidence to communicate with anyone and everyone. They show the eagerness to enter into a discussion with innovative ideas and most importantly with a new range of pleasing and confident vocabulary. Their improved communication takes them to higher motivational levels and their overall performance improves. It is believed that the participants will have a better vision, self awareness and direction towards organizational and personal goals. They would discover the importance of a well groomed and complete personality and how the latter helps in conquering pursuits. The participants would learn to handle time better and to their advantage through various activities and interactive exercises. The objective is to make them have a clear sense of purpose and be goal focused. To sum up, they would know ways to overcome barriers to their personal and professional achievements.

# Final Placement Process

# Placement Statistics

## Placement Statistics for the year 2016-2017

Sl. No.	Branch	Eligible Students	Selects	% Placement 2016
1	CSE	118	147*	100%
2	ISE	49	61*	100%
3	ECE	94	101*	100%
4	EEE	49	25	51%
5	Mechanical	74	70	95%
6	Civil	53	23	43%
7	MCA	13	12	92%

Note: (\*) Students with Multiple Offers

**1. Monica Gowda**  
**Hewlett Packard Enterise**

Being prepared for the real world is not easy, REVA has helped me develop a positive attitude and discover more about myself. Here at REVA the teachers are very caring and interested in students' wellbeing and provide us with immense support and guidance. The placement department at REVA has helped us take our first step into the corporate world by organizing dedicated training sessions prior to our final year in order for us to gain enough insight, it has also provided huge opportunities to the graduating students to prove themselves and expand their horizons.

The support offered at REVA has made me take a huge leap into a bright future by making it possible for me to get placed in reputed companies and making me understand my true potential, now I can say I am ready to face the real world head on, with a smile.

**2. Ajay B L**  
**RMC READYMIX (INDIA)**

I strongly believe that REVA is one of the best colleges in Bangalore. These four years were the amazing years of my life. This university has been nothing less than what I had hoped for, Supportive faculty and seniors, beautiful campus, quality education and amazing friends. It's everything one needs from a college and a network developed for life.

REVA, Placement and Training Dept., just don't help us get placed in good companies but also help us learn soft skills that are highly required. We get training on interview skills, communication skills, life skills, effective time management, social & corporate etiquette & many more. It helps us extract our inner potential and talent to make a better career.

I have completed Mechanical Engineering degree and I am placed at RMC READYMIX (INDIA) as "Management Trainee". I am highly thankful for Placement and Training Dept., in helping me get placed.

**3. Siddharth Singh Chauhan**  
**VMware**

Experience: The college classes made sure that, I gained all the knowledge offered in the syllabus. The placement department ensured that I was equipped with all the knowledge that is non-course related everything I might need when out in the corporate world. This gave me a range of exposure, helped me my best self and keep my best foot forward.
