ABOUT US

LEGACY
OF EXCELLENCE
SINCE 1997

Welcome to an institution dedicated to creating tomorrow's leaders and today's pioneers. HKBK Group of Institutions has been consistent to maintain excellence in the academic standards since its inception.

HKBK College of Engineering was established in 1997 with a mission to provide the best possible education experience through excellence in teaching and research activities.

Acclaimed as one of the best equipped institution, HKBK has in a relatively short span of time, earned a name as one of the premier institution in the country imparting world class technical and management

AFFILIATION & ACCREDITATION

HKBK College of Engineering offers a wide range of Engineering courses that have international recognition.

The college is affiliated to

VISVESVARAYA TECHNOLOGICAL UNIVERSITY (VTU)

BANGALORE UNIVERSITY (BU)

The college is accredited by

NATIONAL BOARD OF ACCREDITATION (NBA)

NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)

The college is approved by

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE), NEW DELHI

COURSES

HKBK College of Engineering offers B.E and M.Tech degrees in several engineering streams.

We look for high- quality students, those that will add value to our classroom and contribute to HKBK Bangalore.

We give careful, individual attention to each applicant in our admission process to ensure that we make the best admissions decision for both the student and our school.

GRADUATE COURSES

BACHELOR OF ENGINEERING (B.E)

Computer Science
Electronics & Communication
Information Technology
Electrical & Electronics
Mechanical
Civil

POST GRADUATE COURSES

MASTER OF TECHNOLOGY (M.TECH)

Computer Science Engineering
Computer Network Engineering
VLSI & Embedded System
Production and Industrial Engineering
Machine Design
Power Electronics

DEGREE COURSES

Bachelor of Business Administration (BBA)
Bachelor of Commerce (B.Com)
Bachelor of Computer Applications (BCA)

HKBK Group of Institutions ,beautiful 17 acre campus in the heart of bangalore city inspires students to suceed professionally and personally in a competitive world.

Learning is an enjoyable experience here,with experienced faculties,inspiring libraries,large playgrounds and state of the art labs.

THE CAMPUS

HKBK College of Engineering offers the best facilities for overall development of students along with spaces for recreation and relaxation.

PLACEMENT FACILITIES

- 1** Well equiped Lab
Four computer labs with 150 - 200 system
- 2** Two Seminar Halls
with 300 to 400 seating capacity respectively
- 3** Interview Rooms
Multiple interview rooms
- 4** Well Furnished Class rooms
Class rooms with digital facility
- 5** Group Discussion rooms
Facility to conduct GD and interviews

TRAINING & PLACEMENT CELL

The Training and Placement Cell
The Training & Placement (T&P) Cell at HKBK College of Engineering is the chief facilitator for the students to obtain placements best suited to them and primarily liaisons between Industry and the Institute. The goal of Training & Placement Cell is to provide world class training to all students of HKBKCE. The Cell has emerged as a favored destination for many national and international organizations who come back year after year to recruit fresh talent nurtured at the College. The Training & Placement Cell is dedicated to motivate and help the student community towards their campus placements by making them Industry Ready. This is done by training students from the first year onwards focusing on motivational skills, communication skills, interpersonal Skills, leadership qualities, group discussions and interview techniques. Additionally, the Cell also provides the required infra-structural facilities to support every stage of the placement process like group discussions, tests and interviews besides catering to other logistics.

TRAINING & PLACEMENT CELL

The key responsibilities of the Training & Placement Cell are listed below:

To organize campus interviews for final year students with industries and business houses of repute from all over India.

To prepare students to face campus interviews by arranging training in Aptitude tests, group discussions, preparing for Technical and HR interviews through professional trainers

To discover and connect with various industries and companies for better opportunities for students

Unique features of HKBK

- Choice Based Credit System (CBCS) & Continuous Assessment and Grading Pattern (CAGP) of Education
- International Collaborations
- Highly Accomplished Faculty Members
- Best in class Learning Facilities
- Strong Research Wing
- Extensive Library Resources
- Diversified Student Community
- Strong Corporate Connect
- Rich Alumni Connect
- Pre - Placement Training and Excellent Placement Record
- Scholarships for students

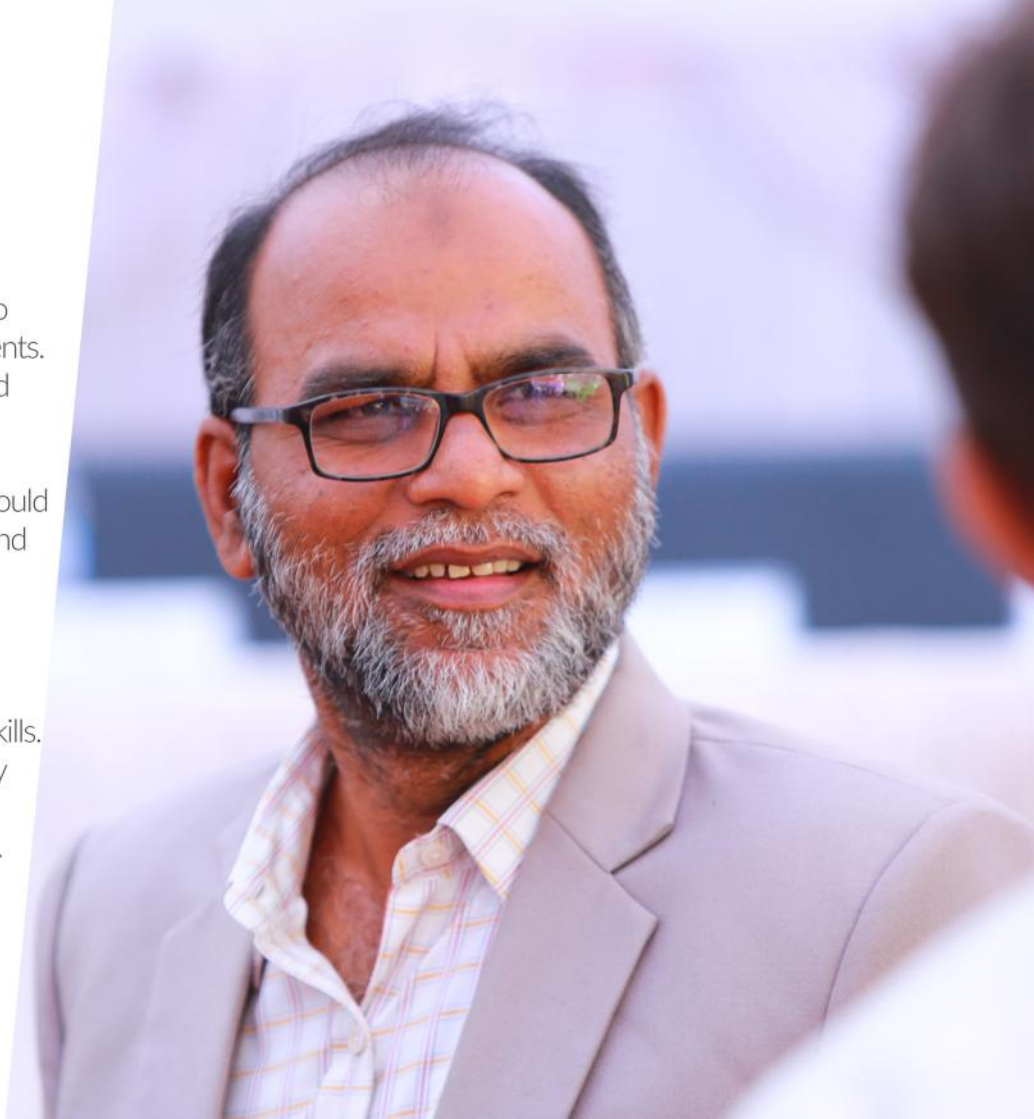

TRAINING & PLACEMENT CELL

PRE-PLACEMENT TRAINING

We at HKBK give utmost importance to the overall development of all our students. In this respect we have a well-structured training program commencing from the first year till the 4th year. The course structure is progressive in nature and would cover all aspects of aptitude, Soft Skill and Company specific coaching.

The main objective of these trainings

- Enhance and improve employability skills.
- The ability to communicate effectively with co-workers, employers, clients and customers, friends and family members.
- Improve Personal and professional effectiveness.
- Help in upgrading Skills
- Development of presentation skills to promote more successful projects

PLACEMENT PROCESS

The placement process is initiated with a clear focus on all levels of companies that are contacted and invited for the campus recruitment drive which matches all the academic levels of students

Student enrollment

Initial interaction with the students

Gap Identification as against Employability parameters

Employers respond with suitable dates for conducting the drive

Identification of Prospective employers and invite them for campus placement

Grooming and well structured training's imparted to students

Carrying out the actual drive process (Both campus and Off campus)

Final Results shared by companies is communicated to students

Receiving and documenting Offer letters
