

ANITS – Brief Profile

Genesis:

Anil Neerukonda Institute of Technology & Sciences (ANITS) was established in the academic year 2001-02 by Anil Neerukonda Educational Society (ANES) which was founded by Dr. N.B.R. Prasad, an NRI Philanthropist from the USA, with industrialists and eminent educationists in memory of Late Anil Neerukonda, S/o. Dr. N.B.R. Prasad. Working with missionary zeal, relentless commitment and strong financial backing, Dr. Prasad, along with his friends, planned and completed a \$30 million (present worth) Sri Venkateswara Temple in Greater Chicago, and this modern temple of higher education “Anil Neerukonda Institute of Technology & Sciences”.

The Journey:

Established in the Academic Year 2001-02 with an intake of 220, the college now offers 7 undergraduate programmes (EEE, ECE, CSE, IT, Mechanical, Civil and Chemical) and 5 post graduate programmes Computer Science and Technology, Machine Design, Communications Systems, Control Systems and Bio-Technology with a total intake of 1188.

- In the path of providing the highest quality education and continuous improvement in academic and research activities, ANITS was accredited by NAAC with A grade in 2015.
- The UG programmes of EEE, ECE, Mechanical, CSE and IT are NBA re-accredited third time in 2016. The process of accreditation for Civil and Chemical initiated in 2018.
- The institute is recognized as Research Center by Andhra University.
- In order to incorporate the latest developments in Science and Technology into curriculum ANITS **Autonomous** Status in 2015-16.

Best Practices:

- Eminent senior professors, many of them having 30+ years of teaching experience and a present faculty strength of 275+ maintaining a faculty student ratio of 1:15.
- Good research projects and academic research by faculty and about 150 publications in reputed journals in the academic year 2016-17.
- Regular Faculty Development Programs by renowned experts in Technical Education for honing up the skills of faculty.

- Various incentives to faculty such as deputation under QIP, Best Teacher awards etc. and for students such as merit awards, sponsorships.
- Special focus on personality development of students and thus enhancing their soft skills, communication skills and life skills.
- Having best teaching and learning practices which are student centric.
- Collaboration and MOUs with industries for upgrading the skills of faculty and students.
